

JEREMY OLIVER

What some clients have said about a Jeremy Oliver presentation:

'I've been almost embarrassed by the number of people saying how much they enjoyed the day... the infusion of Oliverian sparkle was especially well-received.' **MCC Public Affairs, Commercial Communications Australia**

'Our clients and staff... not only appreciated your extensive knowledge of the fabulous range of wines available for tasting, but also your stories and good humour...you took the hard work out of the evening for us, which was greatly appreciated.' **Price Waterhouse Coopers.**

'My guests were delighted with your presentation, luncheon and the wonderful wines. Not to mention Jeremy Oliver. He is undoubtedly the most enjoyable wine expert to include for any occasion'. **Manning's Conference Services**

'Your professionalism, charm, experience, knowledge etc etc really raised the credibility of the tastings and increased overall enjoyment levels absolutely. Your speech at the dinner was typically fabulous. We all thought it was absolutely brilliant.' **McWilliams Wines**

'I just wanted to let you know what an outstanding evening was had by all last night at The Opera House. We received a note from the host **Joseph Carrozzini** this morning with the following words:

'Thank you for your contribution to an OUTSTANDING night last night at pearls, the decor, the entertainers, food and wine-stunning. Excellent team!! I really appreciate it'.

'I hasten to extend some heartfelt thanks for mastering our effervescent dinner with wit, charm and talent.' **Christian Pol Roger, Pol Roger Champagne.**

'Your exceptional talents as an entertainer and educator made our evening with you one that I'm sure we will all remember for a long, long time.'
Novell

'Even before the clients began to call, we had all judged the night a resounding success. Like a fine wine, everybody thought you struck the right balance - authoritative commentary blended with a nice level of audience interaction; plenty of dry humour with interesting facts; and just a sustained level of really good entertainment for the wine 'bluffs' amongst us. We're all looking forward to next year's event already.' **Macquarie Investment Management Limited**

'Feedback superb - crowd in total awe and blown away. You are a legend, Jeremy, and you should be so proud of your contribution to the industry. Thanks so much for your efforts'. **Interactive Pty Ltd**

'Your talk on the night was enlightening and entertaining, it really set the mood for the evening and relaxed the guests. The Deaf-Blind Association is planning to make the wine auction an annual event and we would love to have you back as our guest speaker. **The Deaf-Blind Association**

'I only wish I could see every wonderful fantasy in the wines that Jeremy Oliver can see. However, then his great style and knowledge of wine would not have the impact it does, when he takes you on this delightful journey. He is really terrific.' **Famous Artists Pty Ltd**

'Thank you very much again not only for the marvelous award for the 04' Grange but for the exceptional evening had not only by myself but I think everyone there. It was relaxed, casual and very enjoyable'. **Penfolds Wines**

'I wanted to thank you... I still hear people talking about it. I believe that, most importantly, the conviviality from both the Bulgari team and the guests present were stirring and very unexpected for such event. You, as the team leader, had a lot to do with it and if I may, it deserves an award'!
Best Bets Communications

'I wanted to thank you so much for the monumental effort you have put in for both Singapore and China... you manage to seemingly effortlessly pull it off every time! I think we made a strong impact - particularly in a newer market such as China and I feel very excited about future prospects'.
Australian Wine and Brandy Corporation

'On behalf of PWC, I send a personal thank you to both of you for making our evening so wonderful. I sincerely very much look forward to working with you again in the future. A TRIUMPH!' **Price Waterhouse Coopers Australia**

'The evening combined the pathos of a Chekov play with the elegance of a Shakespearian sonnet! Or as we would say in Australia it was a "rip snorter" of an evening!

'All my guests had a great night and I am really looking forward to the Sydney event!' **Consultants & Integrators**

'Thank you for your fantastic efforts at Wine Australia Week and Wine for Asia, your participation helped promote the Australian wine category in not only Singapore but in South East Asia. We all learnt so much from you and look forward to working with you again. Your professionalism and commitment to the week was fantastic'. **Austrade (& AWBC)**

'A short note to thank you for being such a brilliant host last night - our clients were suitably impressed with the structure of the evening. Your choice of wine and food was terrific, combined with your terrific depth of knowledge and sense of fun made it a great success for all involved'. **UBS Investment Bank**

'You are an absolute star. I must say how impressed I was by your honesty and lack of modesty. My wife made the comment that 'Jeremy talks straight' and I certainly endorsed this view'. **Wine & Beverage Gimp**

'I must say that you added another dimension to both the dinner and the master class. In all the years I've conducted such events, they were some of the most interesting and stimulating conversations I've participated in, and the wines weren't that bad either!' **The Jug Shop - San Francisco**

'What a fantastic job you did for us at Winemaker of the Year. There were many complimentary comments around the room and we'd like to involve you in more of our activities. Fantastic job, well done!' **PBL Media**
